Championship Manager is a series of football-management games developed by the Collyer brothers.. With its live league table, added leagues (in the update patch) and attribute masking option, it remains the best management simulation available to this day, incorporating the best balance between realism and fun.. And that's a shame, because American gamers who don't find a way to import this one don't get to see what the world's most detailed sports management game is all about.. [VoIP vs Landline](#)
