## About This Game

*Pinkman* is a fast-paced, action platformer about a lost man with pink skin and an incredible skill to fart.

*Pinkman* is set in deadly fantasy world called "The Mind", where many traps will try to cut your body in half when you struggle to discover what happened, and keep yourself alive. Run, jump and fart through a minimalistic and colorful environment to find the truth.

### FEATURES

- 100 levels - Play 100 lovely hand-crafted levels filled with deadly traps!
- Tight controls - Jump over missiles, climb walls and avoid mines with ease, optimized controls for gamepads and keyboards!
- Hardcore difficulty - There's no fighting in Pinkman, so you'll have to rely on your speed, reflexes, and farts to survive!
- Deadly traps - There are 20 types of traps ready to cut you in half, keep running and farting!
- Cool soundtrack - Your thumbs may hate you, but your ears will love you!

99 cents and well worth your time. Great level design and nice tight controls. A game that would be fun to speedrun, if I did that sort of thing. I'm looking forward to more.
